

## Curriculum Vitae

### Personal Information

Name: Norimichi Kojima  
Date of Birth: 01 September, 1949  
Academic Position: Professor, Dr.  
Institution: Graduate School of Arts and Sciences,  
The University of Tokyo

### Academic Qualifications

1972 Bachelor of Science, Kyoto University, Kyoto, Japan  
1974 Master of Science, Kyoto University, Kyoto, Japan  
1978 Doctor of Science, Kyoto University, Kyoto, Japan

### Academic Employment

1977-1978 Post Doctoral Research Fellow in Broadcasting Science Research Laboratory,  
Japan Broadcasting Corporation (NHK)  
1979-1981 Part-time Lecturer, College of General Education, Kyoto University  
1981-1984 Lecturer, Kobe-Tokiwa College  
1984-1992 Research Associate, Faculty of Science, Kyoto University  
1992-1994 Associate Professor, Faculty of Science, Kyoto University  
1994-1996 Professor, Faculty of Arts and Sciences, The University of Tokyo  
1996-2012 Professor, Graduate School of Arts and Sciences, The University of Tokyo  
2005-2007 Vice-Dean, Graduate School of Arts and Sciences/College of Arts and Sciences,  
The University of Tokyo  
2007-2009 Dean, Graduate School of Arts and Sciences/College of Arts and Sciences,  
The University of Tokyo  
2009-2011 Vice-President, The University of Tokyo

### Statement of Research

**Research field:** Physics and chemistry of condensed matter, especially optical, magnetic, and transport properties of transition metal complexes.

**Keyword of recent topics:** Spin-crossover, Charge transfer phase transition, Photo-induced phase transition, Direct observation of proton flow by spin-crossover phenomenon,  $^{197}\text{Au}$  Mössbauer spectroscopy of gold cluster, Magneto-optics, Ferromagnetism, Molecular magnet, Photo-isomerization

**Publications:** 19 monographs, 215 research manuscripts including 47 manuscripts related to Mössbauer spectroscopy.
